

If your church is ready to dream and pray about planting a daughter church, Brad Swope, our Canon for Church Planting, and Kris McDaniel, our Canon for Church Multiplication, are ready to hit the road! They will spend a weekend at your church to help you prepare to plant, no matter what stage you're in.

While onsite, Brad and Kris will:

- Explore your neighborhood
- Assess potential leaders
- Meet with your vestry
- Evaluate your timeline and budget
- Sit down with your core leaders
- Preach at your service
- ... and more!

If you're interested in the Church Planting Roadshow coming to your church, Brad would love to hear from you (Brad@C4SO.org). Two or three slots are available for 2025.
